CB CONTRACTING
INC.

Perimeter security of critical infrastructures and key resources is essential. Perimeter security requires a comprehensive approach that begins with a threat/vulnerability assessment and ends with improved operational support. K12 Defense, in partnership with CB Contracting, provides customers confidence by establishing awareness and by offering a comprehensive solution. Services include assessments, planning, barrier installation, training, testing, and electromagnetic actuation retrofitting of hydraulic barriers.

DUNS Number 009545059 | CCR Registered | ORCA Certified

Relevant Experience: (Details Upon Request) USAF, Federal Courthouses, Bureau of Reclamation, Water Treatment Facilities, Federal Reserve Banks, FBI, International Airports, Corporate Facilities, Car Rental Facilities
